Alpha II, Inc. 30th Anniversary A Success!

This year marked the 30th Anniversary of Alpha II, Inc. To celebrate, Alpha II and the A2 Foundation hosted a 30th Anniversary Dinner Saturday, November 15th at the Renfro Center on the Northern Oklahoma College Campus. This event was the kick off to the capital fundraising campaign for a new client dormitory on the Alpha II campus.

The event started off with a silent auction preview where OU and OSU autographed memorabilia, trips, Tiffany's jewelry, American Girl: Mia, art and many other exciting items were auctioned off at some great prices. Northern Management Services provided, to over 150 attendees, a mouth watering meal of beef tenderloin, red skinned potatoes, sautéed zucchini and squash, topped off with Tiramisu and Terry Ballard provided the event goes with outstanding piano music during the dinner. As the evening went on, the crowd had the pleasure of hearing client testimonials about the impact that Alpha II has made on their lives, words from Glenn and Kari Scott and a captivating presentation by Michael Snowden, keynote speaker, who educated everyone about the Crystal Darkness campaign and what substance abuse can do to our community.

With everyone's help the event raised awareness and nearly \$15,000 towards the new client dormitory! Alpha II would like to thank everyone that attended the event, Phil Bandy, Maser of Ceremonies, Senator David Myers, Jack Kelly and Kelly Epps from ODMHSA, Traci Looney for providing the photography for the evening, Alpha II staff, A2 Foundation board members, Alpha II, Inc. board members, table sponsors and all donors for helping Alpha II celebrate 30 years of success.
