Alpha II, Inc 30th Anniversary Dinner Speaker Announced

Alpha II, Inc. will be celebrating their 30th Anniversary with a semi-formal fundraising dinner on Saturday, November 15, 2008. The event will focus on spreading awareness about substance abuse and raising funds for a new dormitory on the Alpha 2 campus. One of the speakers at the event will be Michael Snowden. Snowden is the Agent-in-Charge of the Training Unit of the Oklahoma Bureau of Narcotics and Dangerous Drugs. A twenty-five year law enforcement veteran, Snowden works with the OBNDD training unit to provide drug education and awareness programs to law enforcement, public and private school systems, members of the public, and medical professionals throughout the State of Oklahoma.

Snowden is a supporter of the Crystal Darkness Oklahoma Campaign. Crystal Darkness is a gripping, 28-minute documentary that confronts the truth about methamphetamine abuse through first-hand accounts of former addicts.

The story is told through the powerful testimonials of people who have gone through the dark and lonely depths of meth addiction and its physically altering consequences. With heart wrenching and raw honesty, they speak to their generation with an unforgettable message of warning.

Come and listen to Michael Snowden speak about what we can all do to prevent substance abuse and the effects it can have on the lives of people in our community.

If you would like to purchase a ticket to the event or would like more information, please call Ashley at 580-628-2539 or email ashley.smith@alphatwo.org.
